HORSE RENTALS

SUMMER RATES (May 10 – September 17): Summer horse Renters may extend the rental through November 20 on all or a portion of the horses for an additional \$600 per horse. The rental extension is due and payable by October 5th.
NOTE: ALL SUMMER RENTALS TERMINATE SEPTEMBER 17TH.

SADDLES/TACK: Colorado Horses offers a western stock saddle, one blanket, one pad, a halter with lead rope, and a bridle as a complete set of tack for \$100 per set.

SHOES: ALL horses will be delivered with shoes on. Renter is responsible for keeping the horses shod and their feet in good condition.

TRUCKING: Loads of 10 head of horses or more within 150 miles of Sombrero's Craig or Longmont facilities will be delivered and picked up free of charge. Delivery of 1-9 horses will not be charged a delivery fee if the delivery is concurrent with an existing delivery to the same location. Otherwise, the delivery charge will be included in the contract. For exchanges during the rental agreement, the renter will be charged mileage for delivery. After the initial distance of 150 miles, there will be a charge of \$4.00 per loaded mile for delivery.

OUT OF STATE: Horses leaving Colorado will be charged an additional \$100 per head to cover health and brand papers. Please let us know as soon as possible if horses will leave Colorado. Renter is responsible for furnishing return papers through their veterinarian.

(Short Trip horses can be delivered for an additional cost, based on location)

All Short Trip horses must be paid for prior to delivery

(over)

SHORT TRIP DELIVERIES: Colorado Horses will set a delivery fee based on total mileage and days rented. Colorado Horses reserves the right to refuse horse rental and/or delivery for any reason we deem appropriate.

INJURED OR DAMAGED HORSES: We take the health of our horses seriously. Any horse which becomes severely injured will be assessed a fine of \$600.00. The assessment of injured horses will be made by Colorado Horses management and is primarily meant to reflect human-caused injuries (tendon damage, severe rope burns, severe wire cuts, wither, cinch, kidney, etc.), malnourished, injured or damaged so as to be unusable for the remainder of the summer season or unusable for our fall season (October 1 – November 20). Colorado Horses and its agents will be the sole judge in this matter.

If the horse is lost, abandoned, permanently injured so as to no longer be useable by owner, or the horse dies, Renter will be charged the fair market value of the horse, \$4,000.00

HORSE EXCHANGE POLICY: Colorado Horses must be notified within one week of any horse delivery problems or exchanges. Colorado Horses will then make arrangements to replace or correct any problems. After the one week period, replacement horses will only be on an “if available” policy, and at the customer’s expense of \$4 per loaded mile. Horses that die or become permanently injured after one week will be replaced after payment, in full, of the fair market value.

IDENTIFYING/CHOOSING HORSES: After completing a contract, Colorado Horses will select your horses for you. You will need to make an appointment to come and view your selections if you wish. At that time, you can switch horses that you dislike. This appointment should be made no less than 1 week prior to delivery, so plan your delivery and ranch visit accordingly. While at the ranch, the horses will be ridden for you, or by you, and fitted with saddles, if so desired.

PAYMENT SCHEDULE: We have established the following three payment policies. It is at Colorado Horses discretion which policy we use for each customer. All first-year customers will be put on policy number two.

Policy #1: One third will be due with contract to reserve horses. One third will be due July first. One third will be due August first (or as approved by Colorado Horses).

Policy #2: One forth will be due with contract. One forth will be due upon delivery. One forth will be due July first. One forth will be due August first.

Policy #3: Five percent discount is available if paid in full prior to delivery, or on June first, whichever is first.

If your payments are not received by the fifth of the month (or five days from the due date), Colorado Horses reserves the right to, AND WILL, immediately remove the horses from Renter’s possession. All summer horse rentals will be paid in full by August 1st. Colorado Horses will charge 1% interest per month on overdue or delinquent accounts.
